Val,

I have attached a draft meeting agenda for your review. Feedback welcome.

Have we confirmed a meeting time with ADEQ yet? And do you have a list of who will be attending from the state?

Thanks,

--Mark

Here you go, Val. Let me know what else you need.

1. Mark Hemingway, GSI Environmental, attending on behalf of the PRP Group generally.
2. Bruce Amig, Goodrich. Bruce is an actual representative of Goodrich, and not a consultant.
3. Leslee Alexander, AECOM, outside consultant for Tyco.
4. Dave Roberson, de Maximus, outside consultant for ExxonMobil.

That's our four attendees, and hopefully that takes care of what ADEQ wants to know.

Talk to you soon.

Mark
